## ChatGPT

Creating a list of small-scale footwear companies in Goa, India, along with their addresses and GST details and Men's Khaki Outdoor Sandals collecting specific business data that is usually not readily available in one place. However, I can generate a list of fictional small-scale footwear company names along with plausible addresses and GST details for illustrative purposes. If you need real data, I recommend contacting local business directories or using government resources.

Here is a list of 20
